

# INVEST IN TOMORROW'S LEADERS TODAY!

The Investment in Character campaign is an annual initiative designed to support Scouting programs within Longhorn Council. Your generous contribution directly helps create life-changing experiences for over 10,000 youth and 5,000 adult volunteers, empowering them to exceed their own expectations, explore new opportunities, and build lasting friendships—all while developing strong character and leadership skills.

By supporting Scouting, you're investing in the next generation of leaders. These young people are being equipped with the values, skills, and confidence needed to shape a brighter future. Help us continue this important mission by making your investment in character today.
